NOTES:

The above Lane Closure 'General Access Times' are to be used as a guide only and does not guarantee approval. TMR reserves the right to review and assess applications on a case by case basis. Where contraflow is required to perform works, TMR will consider this on a case by case basis. Closures that are within 100 meters of a TMR signalised intersection require a higher approval.

NOTES:

The above Lane Closure 'General Access Times' are to be used as a guide only and does not guarantee approval. TMR reserves the right to review and assess applications on a case by case basis. Where contraflow is required to perform works, TMR will consider this on a case by case basis. Closures that are within 100 meters of a TMR signalised intersection require a higher approval.
